

Division of Genetic Epidemiology

Arrival by car

From East or West

using the **Inntalautobahn (A12 / E60)**, you should leave the highway at **Exit 79**, Zentrum, „**Innsbruck West**“.

From the South

using the **Brennerautobahn (A13)**, interchange at „**Knoten Innsbruck-Bergisel**“ to the **Inntalautobahn (A12)** interdirection „**Innsbruck West**“ and leave the highway after approximately 2 km at **Exit 79**, Zentrum „**Innsbruck West**“.

About 800 m after the exit you turn right at the second traffic light. After further 200 m you turn left at the next traffic light into the Fritz-Pregel-Strasse. After further 400 m you will turn to the right into the Schoepfstrasse and you will find the building # 41 at your right hand. It is the only one building on the right side till Peter-Mayr-Strasse. Do not worry passing by Schoepfstrasse # 41, but the best way to find us is to use the entrance via Peter-Mayr-Strasse. So you should turn right into Peter-Mayr-Strasse and opposite from # 7, turn right into a parking site of the University and cross the place into direction rear building. In the building on the right hand side you will find the Division of Genetic Epidemiology on the ground floor.

Parking places: Short-term parking zones are in Schoepfstrasse and the streets around,
Monday-Friday, 9.00 – 19.00 Uhr 1 €/ per hour, max. 3 hours

Arrival by train

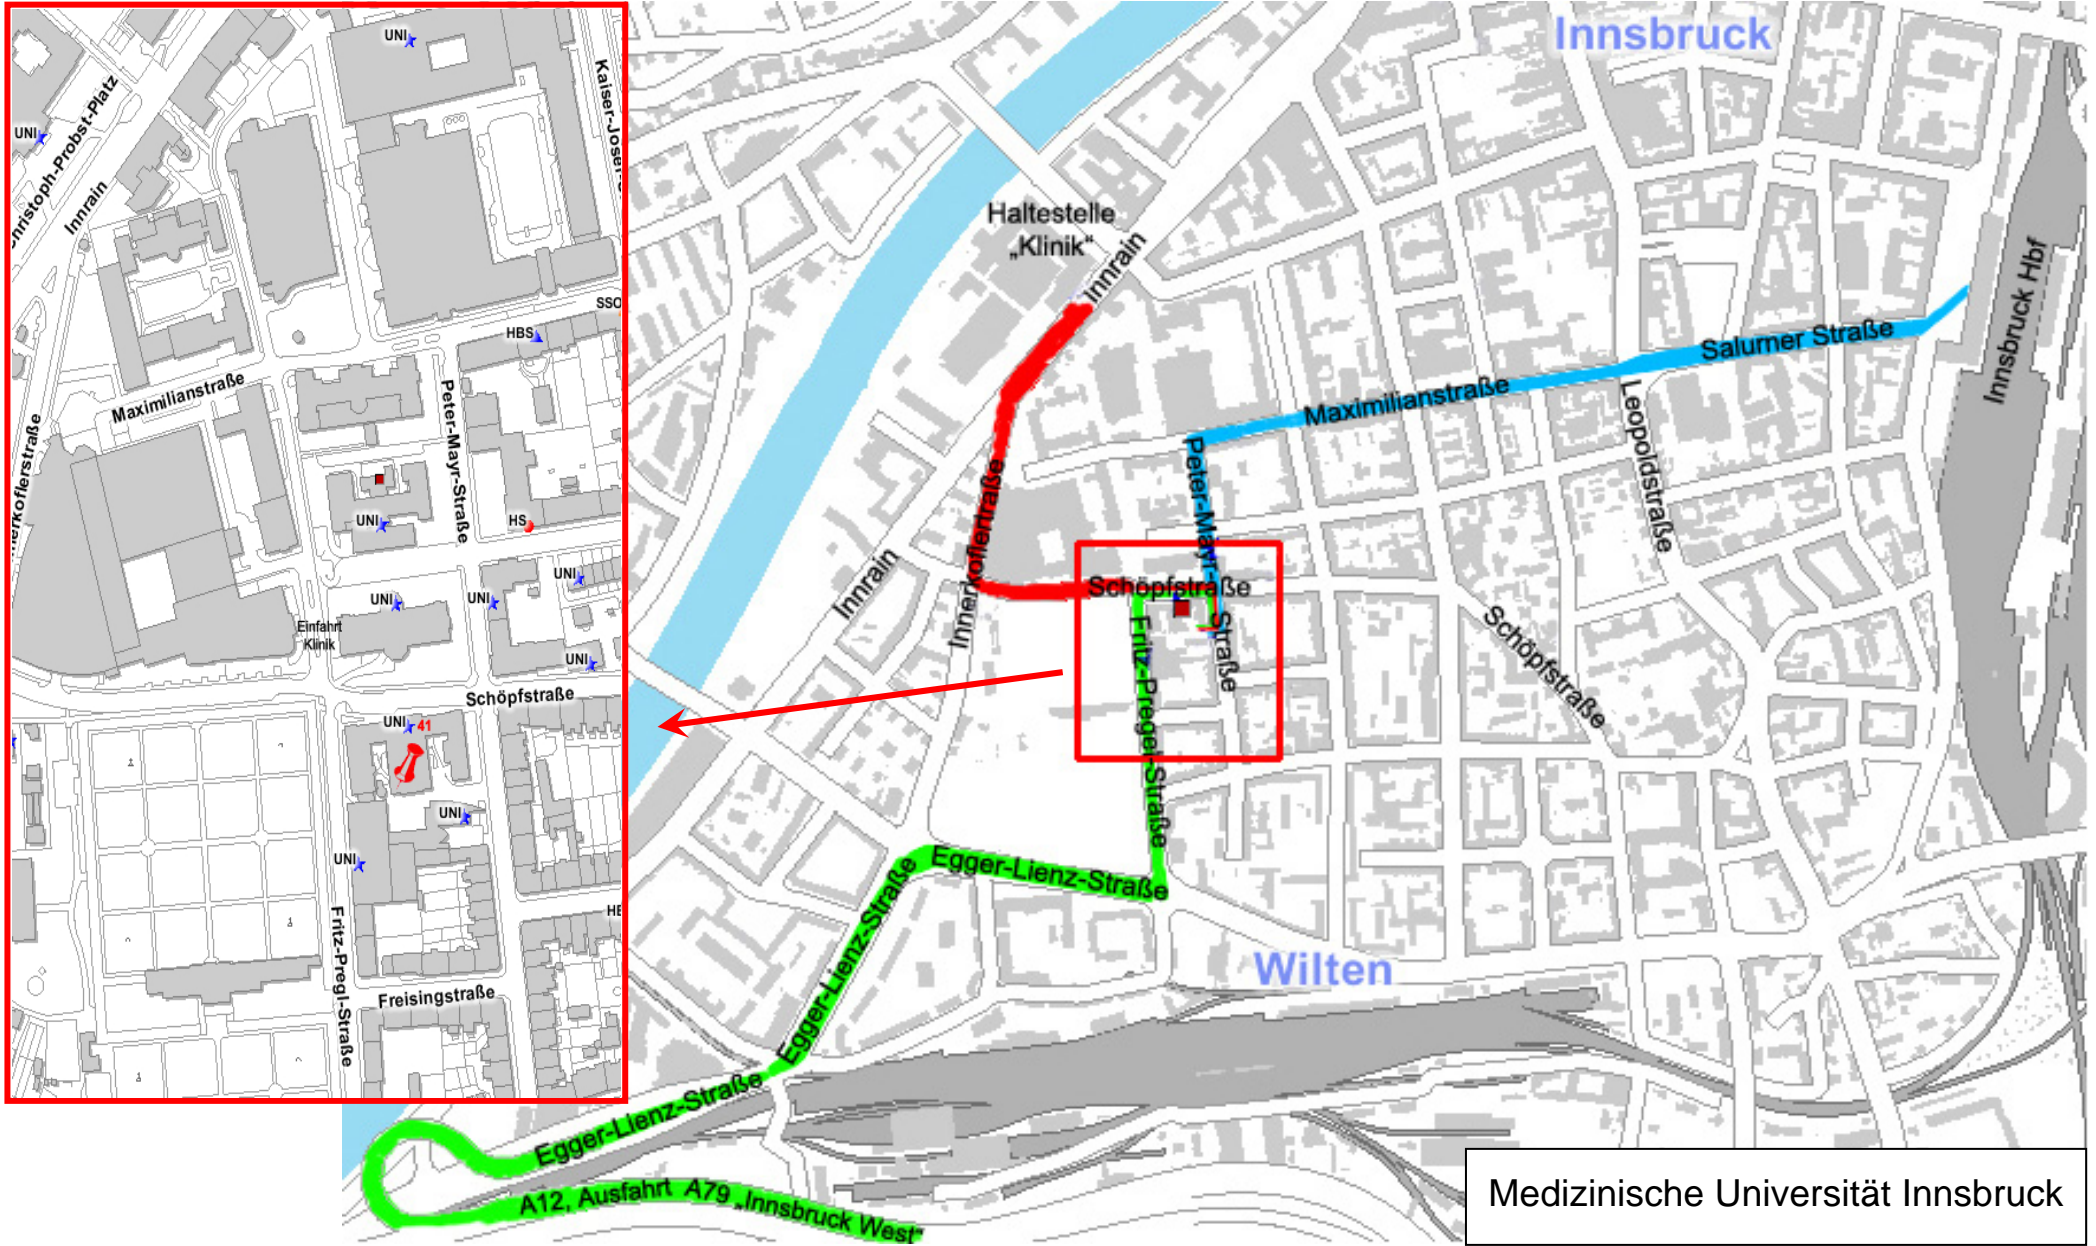

The trains by Austrian National Railways (OEBB) arrive in Innsbruck at main station. From there we are within a walking distance from approximately 10 to 15 minutes. When you leave the station cross the forecourt in left direction. There you will find the Salurner Strasse. Walk this street straight ahead and continuing as Maximilianstrasse the way will meet Peter-Mayr-Strasse. On this corner turn left and walk till you pass Schoepfstrasse. Do not worry passing by Schoepfstrasse # 41, but the best way to find us is to use the entrance via Peter-Mayr-Strasse. Opposite # 7 you should turn right into a parking site of the University and cross the place into direction rear building. In the building on the right hand side you will find the Division of Genetic Epidemiology on the ground floor.

Arrival by airplane

The airport Innsbruck is located in the western part of the city. From there you may take a taxi or catch the bus # **F** into direction downtown Innsbruck.

The bus takes about 10 minutes to the station „Klinik“. It is directly in front of a cross way. From there we are within a walking distance from approximately 5 minutes. You should pass the cross way and turn right in the crossed street Innrain. Follow the way till Innkoflerstrasse is turning left. Walking on this street you will meet Schoepfstrasse and turn left into it. Go straight ahead till Peter-Mayr-Strasse and turn right. Do not worry passing by Schoepfstrasse no. 41, but the best way to find us is to use the entrance via Peter-Mayr-Strasse. Opposite # 7 you should turn right into a parking site of the University and cross the place into direction rear building. In the building on the right hand you will find the Division of Genetic Epidemiology on the ground floor.
